Greetings Officers,

First and foremost, thank you for your work on my application, and your service to the community as a whole.

The reason for this email is an inquiry on the next steps on my application process.

I applied on Nov 26, 2022. I had my fingerprints taken about 6 months later, on May 19, 2023. Given that it's been 61 days since fingerprinting and that I haven't heard from you since, I wanted to inquire about the status of my application.

Thank you again and I look forward to hearing from you.

Jason Tsulis

Dear Officer Bernard,

First and foremost, thank you for your work on the matter of my licensing; it is greatly appreciated.

I am emailing to inquire on next steps. After I completed my fingerprinting on the prescribed date on May 19, the employee who assisted me advised me that I am supposed to receive an update via email or call and, unfortunately, I have not received either.

Is there a chance you could please advise?

Kind thanks,

Jason Tsulis

Dear Officer Bernard,

First and foremost, thank you for your work on my application, and your service to the community as a whole.

The reason for this email is an inquiry on the next steps in my application process. Unfortunately all related email accounts on the NYPD Licensing Div website are non functional, and so are the phone numbers so my pool for whom to contact is limited.

- I applied on Nov 26, 2022. I had my fingerprints taken about 6 months later, on May 19, 2023. Given that it's been 61 days since fingerprinting and that I haven't heard from you since, I wanted to inquire about the status of my application.
- I have been attempting to change my address on my profile for several months, but there is no such option, nor will anyone pick up the phone. Would you kindly advise me on how to do this?

Thank you again and I look forward to hearing from you.

Dear Officer Tapia,

My name is Jason Tsulis and I came to know you are my assigned investigator. I received my letter of approval today, and I wish to thank you for your work on the matter.

I need to report to you, however, that the letter was sent to my old address. I have attempted to change my address in the past and, from the forwarded email below, you may see that I was assured that it was updated. While I was (barely) able to track the letter down this time, I fear I might not be so lucky when you send out my license.

To that end, I called your Dept and I was given your email and the instruction to email you the attached files: pictures of my updated ID and a utility bill, and kindly request that my address is this time successfully updated.

My current and correct address is:

Jason Tsulis

New York, NY,

Thank you again for your work and looking forward to your reply.

Best,
Jason Tsulis

All involved,

On March 18th and 19th, I submitted all required documentation pertaining to my new firearm purchase, 90 days after my previous, as described in NYC Admin Code 10-302.1(b) and § 5-25: Handgun Purchase Authorizations and Safety Locking Device Requirements.

More than 1 month later, and more than double the timeframe you have designated for yourselves to take action, you have yet to release my updated license.

Given this unreasonable delay, you are hereby requested to produce and send out my documents so that I can at long last take possession of my legally acquired property without obstructions, and exercise my Constitutional Rights unfringed.
